Our story

Lime Venue Portfolio launched in 2008 and since then have become the leading group venue finder for diverse venues. We have made the unusual venue, usual. Today we're proud to represent a diverse range of independent venues from all four corners of the UK, building their meeting, conference and event business.

All of our venues are catered for by market leading contract caterer, Compass Group UK & Ireland, whose family of brands work hard to create great tasting food and memorable experiences at your event.

Our partner brands

By working side-by-side with our fellow partner brands, we're able to deliver exceptional taste experiences at every event:

MEETINGS FOR CHANGE

We know you want to do the right thing, but that's not always easy! So, to remove any eco-anxiety when planning meetings, conferences and events, in line with our parent company Compass Group UK & Ireland, we've launched Meetings for Change.

What this means for you is that when you book a Lime Venue Portfolio venue, you are making a good choice that can make a difference.

All our member venues will, as standard, offer our key sustainability priorities as part of our Path to Decarbonisation.

At Lime Venue Portfolio:

1. We Source in Season

We prioritise British and seasonal produce. We have banned air freight.

2. We Swap at Scale

Our menus are always plant-forward, with a choice of great-tasting alternative proteins. 60% of menus now need to be vegan, vegetarian, or plant-forward. A plant-forward recipe is one which prioritises plant ingredients e.g. vegetables, fruits, legumes, and grains but doesn't necessarily eliminate all animal-based foods. All our desserts are plant based.

3. We Avoid Surplus

We believe in zero waste. Whatever we're cooking for your meeting or event our approach is root-to-stem, nose-to-tail. All our packaging is recycled and reusable.

4. We Stir the Pot

All meat is sourced from the UK&I. All our fish is MCS 1-3. Our teas and coffees come from responsible suppliers. Our chocolate is Fairtrade and Rainforest Alliance certified.

Don’t just take our word for it

With over 15 years of experience in the event business, we’ve worked with the industry’s best to help create unique events in our diverse venues. We don’t like to blow our own trumpet but we couldn’t resist sharing a few testimonials with you to show the value Lime Venue Portfolio brings to a wide range of event bookers and organisations just like you.

“I was looking for a unique venue to host a round table event. I was easily able to draw up a shortlist using the Lime Venue Portfolio website and contacted the Central Sales team who took all of my details and liaised with the venues on my behalf. It made the whole process so much easier and I would have no reservations recommending Lime Venue Portfolio as a venue booking service.”

Natalie Sawford Smith, Mediahawk

“I have used the Central Sales team several times and the service has been really good. The enquiries are always turned around quickly and any emails I send are always acknowledged straight away, the team make my job a whole lot easier.”

Becky Bell, Agiito

“We use the LVP central team for many enquiries as it’s good to have one contact for all of the venues. They are all very helpful and friendly and will work with us to convert the business whether this is through rate negotiation or finding a way around an issue.”
