## A CARBON CONSCIOUS CHRISTMAS

Wherever possible, all of our menus will use sustainable and ethically sourced ingredients including Red Tractor Assured Turkey.

To help you make informed decisions about your Christmas meal, our menus are labelled using the Klimato scale which indicates whether the dish has a low, medium or high carbon footprint.

We're doing away with traditional crackers and going digital with our e-cracker prize draw.

\*Supplement applies.  
Menu choices and allergen requirements are requested in advance of your party date.  
Menus are subject to change, depending on seasonal demand. We cannot guarantee that any of our products are allergen free, due to being produced in a kitchen that contains allergens. Calorie and carbon information is available upon request.

# DRINKS PACKAGES
