SUSTAINABILITY

We believe that sustainability should be at the heart of what we do. To ensure we are holding ourselves accountable we have set ourselves objectives for 2020:

- Successful introduction of compostable waste streams throughout the ground
- Continue eradication of single use plastic
- Reduce our carbon footprint and continue to innovate in green areas
- Communicate our goals to fans and guests while leading the sports sustainability agenda.

If there is any areas that we could improve on or you have any ideas, please get in contact at: sustainability@kiaoval.com

TESTIMONIALS

"We have used The Kia Oval for various events and have always been very happy with the service we have received. I cannot single out one event as all have been handled with the utmost professionalism and 'can do' approach. From the start of the booking process to the end of the event, The Kia Oval team are always courteous, accommodating and willing to make it work for the client. The roof top area is a great addition to the event space and we've been lucky enough to have used it twice and our Partners enjoyed the experience of being able to overlook the grounds with a drink in hand! If we have a large event, The Kia Oval is always our first thought as its 'TNT.....Tried n' Trusted'!"

PA to Customer Director, JOHN LEWIS

"Everyone commented and said it was the best managers meeting by far....they loved the food."
