## ABOUT HAYDOCK PARK RACECOURSE

*Haydock Park is a place that makes your heart race. From the thrill of watching your horse cross the finishing line to the delight of indulging in its fantastic facilities, it guarantees a great day out. But just as importantly, we're also well known as a venue that leads the field in hospitality and holding events that are every bit as memorable as our racedays.*

From conferences and corporate days, to product launches and meetings, we can cater for any event in style. All thanks to our exceptional range of executive boxes and luxurious suites which can accommodate up to 500 delegates.

Alternatively, you can host a truly unforgettable gala evening or dinner dance in one of our beautifully appointed banqueting suites. With panoramic views over the famous racecourse, your clients

can raise a glass as the sun goes down and enjoy an outstanding evening's entertainment.

For larger events, Haydock Park once again can't help but impress. Our unique location in the heart of 127 acres of parkland means that we can not only offer 1,000 square metres of indoor exhibition space, but also over 13 acres of hard standing exhibition areas for major events for up to 20,000 people.

---

*Our dedicated Conferences and Events Management Team will help plan every detail of your event to ensure it is a success from start to finish.*

---

You'll also have peace of mind that as a year-round racecourse, everyone you invite will find us with ease. In fact, reaching us couldn't be easier as we're situated right in the heart of the North West. Haydock Park is conveniently located between Manchester and Liverpool, with both being less than a 30 minute drive away. The M6 and M62 are both nearby, making Haydock Park a central location for guests to access.

There's also signage from any direction and when your guests arrive, there's guaranteed free parking for all.

For those travelling by rail, Haydock Park is just two miles from Newton-le-Willows station (which is on the Liverpool to Manchester line), while both Warrington and Wigan stations (which are on the London to Glasgow line), are just eight miles away.

## EXHIBITIONS & EVENTS

*Like you, we want your event to be first class. Which is why we'll tailor the space you hire to your needs.*

When you choose one of our suites, you'll have the flexibility to also choose the seating style. Whether it's a Theatre, Classroom, Cabaret, Boardroom or U-shaped seating arrangement, we'll make sure it's the best solution for your event.

You can also look forward to state of the art audio visual (AV), lighting and

presentation facilities on hand, while our superb range of award winning catering options will ensure that everyone enjoys the best in food and drink.

Our highly trained chefs, who on busy racedays cater for thousands, will impress and delight, whether creating a fork or finger buffet or preparing a full banquet.

There's a fantastic range of set menus available, from canapés to five course formal banqueting, all created from the freshest seasonal ingredients, sourced locally wherever possible. As well as offering a choice of menus, Jockey Club Catering is also available to help event organisers design bespoke options for their guests.

### *AV & Staging Partners*

Haydock Park can offer a full audio visual specification across the venue and we also work with a number of local and national AV partners for more detailed and technical event briefs.

Staging and effects are easy to facilitate with Haydock Park's flexible spaces, high ceilings, vehicular access and 24 hour operational access available where required.

### *Jockey Club Racecourses*

Haydock Park is one of three Jockey Club Racecourses in the North West of England, along with Aintree Racecourse, ideally situated by the City of Liverpool and an accessible motorway network and offering an excellent choice of indoor or outdoor event space. Carlisle Racecourse is located in beautiful Cumbria, only 2 miles from junction 42 of the M6 and offers self-contained exhibition, plenary and breakout space for up to 200 people.
