WHO IS LIME VENUE PORTFOLIO?

We are the UK's largest collection of diverse venues, connected by great tasting food and memorable experiences. We bring together individual venues, all operated by Compass Group UK & Ireland, in pursuit of a common purpose — to build their meeting, incentive, conference and event business.

The portfolio of diverse venues provides you with a variety of venue options to suit your event objectives and support your event ROI. Unlike our competitors, we do things differently by offering account management and an award winning central enquiries venue finding service, for event bookers including agents, corporates, associations and charities, saving everyone time and money.

Our central enquiries team contact multiple venues within the portfolio to find the right venue for your event and aim to get back to you with a full proposal within 3 hours. We don't charge customers commission or even a fee and the price quoted will be the same as going direct. Our competitors all say they are, but we truly are a completely complimentary service to our customers, as we exist to support our wider business family - Compass Group UK & Ireland.

We're not a faceless online only business, we maintain one point of personal contact throughout your booking. We also love getting out and about, regularly meeting with you, our customers. We will ensure your event goals are supported and understood.

WHAT WE OFFER YOU

OUR VENUES

Lime Venue Portfolio launched in 2008 and since then we've become the leading group venue finder for unique venues. Today we're proud to represent over 90 independent venues from all four corners of the UK. Our offering will only continue to grow as we explore new venues that our customers want to book.

We think our diverse venue range is what sets us apart. Castles and zoos sit alongside race courses, stadiums and leading purpose built conference, training and exhibition centres, culminating in a product range unlike any other. What connects all of our venues is Compass UK and Ireland, meaning our food and service standards continuously attract customers who are looking for great food, memorable experiences and something unique they can't find elsewhere.

Please check our website for the latest venue listings.
