Don't just take our word for it

With over 10 years of experience in the event business, we've worked with the industry's best to help create unique events in our diverse venues. We don't like to blow our own trumpet but we couldn't resist sharing a few testimonials with you to show the value Lime Venue Portfolio brings to a wide range of event bookers and organisations just like you.

"I was looking for a unique venue to host a round table event. I was easily able to draw up a shortlist using the Lime Venue Portfolio website and contacted the Central Sales team who took all of my details and liaised with the venues on my behalf. It made the whole process so much easier and I would have no reservations recommending Lime Venue Portfolio as a venue booking service."

Natalie Sawford Smith, Mediahawk

"I have used the Central Sales team several times and the service has been really good. The enquiries are always turned around quickly and any emails I send are always acknowledged straight away, the team make my job a whole lot easier."

Becky Bell, Agiito

"We use the LVP central team for many enquiries as it's good to have one contact for all of the venues. They are all very helpful and friendly and will work with us to convert the business whether this is through rate negotiation or finding a way around an issue."
