About us

When it comes to annual general meetings (AGMs), Aintree Racecourse stands out as a premier choice for organisations of all sizes. The venue's adaptable indoor suites and spacious breakout areas create the perfect environment for strategic discussions, shareholder presentations, and decision-making sessions. Its distinctive setting adds prestige and gravitas to any corporate gathering, making your AGM not only functional but also memorable.

Accessibility is another key advantage of Aintree. Conveniently located near Liverpool city centre and major transport links, the racecourse ensures that attendees can arrive with ease, whether travelling by car or public transport. On-site parking and transport coordination further simplify logistics, allowing organisers to focus on delivering a seamless and productive event.

Beyond logistics, Aintree offers a team of experienced event professionals dedicated to ensuring every aspect of your AGM runs smoothly.
