Our story

Lime Venue Portfolio launched in 2008 and since then have become the leading group venue finder for diverse venues. We have made the unusual venue, usual. Today we're proud to represent a diverse range of independent venues from all four corners of the UK, building their meeting, conference and event business.

All of our venues are catered for by market leading contract caterer, Compass Group UK & Ireland, whose family of brands work hard to create great tasting food and memorable experiences at your event.

Our partner brands

By working side-by-side with our fellow partner brands, we're able to deliver exceptional taste experiences at every event:

We've launched Meetings for Change to help make it easier for you to plan meetings, conferences and events that are kinder to the environment. When you book a Lime Venue Portfolio venue, you are helping to make a difference in the events industry.

All our member venues will, as standard, offer our key sustainability priorities in line with our Climate Promise. Many of our venues also offer Carbon Labelled menus to raise awareness of how our eating habits affect the climate and to empower everyone to make more informed food choices.

At Lime Venue Portfolio:

- 1. We believe in using fresh, seasonal products**
We prioritise British and seasonal produce. We have banned air freight.
- 2. We believe in the power of plants**
Our menus are always plant-forward, with a choice of great-tasting alternative proteins. 60% of menus now need to be vegan, vegetarian, or plant-forward. A plant-forward recipe is one which prioritises plant ingredients e.g. vegetables, fruits, legumes, and grains but doesn't necessarily eliminate all animal-based foods.
- 3. We believe in zero waste**
Whatever we're cooking for your meeting or event our approach is root-to-stem, nose-to-tail. All our packaging is recycled or reusable.
- 4. We believe in ethical sourcing**
All meat is sourced from the UK&I. All our fish is MCS 1-3. Our teas and coffees come from responsible suppliers. Our chocolate is Fairtrade and Rainforest Alliance certified.
- 5. We believe in protecting our planet**

Don't just take our word for it

With over 15 years of experience in the event business, we've worked with the industry's best to help create unique events in our diverse venues. We don't like to blow our own trumpet but we couldn't resist sharing a few testimonials with you to show the value Lime Venue Portfolio brings to a wide range of event bookers and organisations just like you.

"I was looking for a unique venue to host a round table event. I was easily able to draw up a shortlist using the Lime Venue Portfolio website and contacted the Central Sales team who took all of my details and liaised with the venues on my behalf. It made the whole process so much easier and I would have no reservations recommending Lime Venue Portfolio as a venue booking service."

Natalie Sawford Smith, Mediahawk

"I have used the Central Sales team several times and the service has been really good. The enquiries are always turned around quickly and any emails I send are always acknowledged straight away, the team make my job a whole lot easier."

Becky Bell, Agiito

"We use the LVP central team for many enquiries as it's good to have one contact for all of the venues. They are all very helpful and friendly and will work with us to convert the business whether this is through rate negotiation or finding a way around an issue."
