

# INVITES YOU TO EXPERIENCE — SOME OF LONDON'S — MOST UNIQUE VENUES

Lime Venue Portfolio brings you an exciting opportunity to explore four of our London venues. The day starts with Breakfast at Imperial War Museum London. We will then progress to Churchill War Rooms to experience this historic venue. Lunch will then be served on HMS Belfast concluding the day at Somerset House for Cocktails and Tapas!

A great way to experience the meeting and event spaces these venues have to offer first hand.

Transport will be provided between the venues, with plenty of refreshments available throughout the day.
